In the preparation of the material contained herein, Sender has used information that is publicly available, including information developed in-house. Material used herein may have been obtained from members/persons other than the Sender and/or its affiliates and which may have been made available to the Sender and/or to its affiliates.

Information gathered and material provided herein is believed to be from reliable sources. We have included statements / opinions / recommendations, which contain words, or phrases such as “will”, “expect”, “should”, “believe” and similar expressions or variations of such expressions, that are “forward-looking statements”. Actual results may differ materially from those suggested by the forward-looking statements due to risk or uncertainties associated with our expectations with respect to, but not limited to, exposure to market risks, general economic and political conditions in India and other countries globally, which have an impact on our services and / or investments, the monetary and interest policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices etc. Sender shall not be liable for any loss, damage of any nature, including but not limited to direct, indirect, punitive, special, exemplary, consequential, as also any loss of profit in any way arising from the use of any material or information provided by Sender. Certain products and services offered by Sender may not be traded on exchange. Disputes with respect to the

distribution activity, would not have access to the Exchange Investor Redressal Forum or Arbitration mechanism.

To the extent that any information is regarding the past performance of securities or investment products, please note such information is not a reliable indicator of future performance and should not be relied upon as a basis for an investment decision. Past performance does not guarantee future performance and the value of investments and the income from them can fall as well as rise. No investment strategy is without risk and markets influence investment performance. Investment markets and conditions can change rapidly, and investors may not get back the amount originally invested and may lose all of their investment.
